

# Xiaomi Mi Box S Android TV Box

## Description:

This Android 8.1 TV box brings home entertainment for the whole family. Watch movies and series in a stunning 4K HDR resolution with incredible Dolby DTS sound. No more tedious searching and scrolling to find a favorite program to watch, just ask Google Assistant for a show, movie, genre, actor, or song you love. SmartCast allows you to share the screen from your smartphone, tablet, or laptop to a bigger display of your TV.

## Features:

### **4K HDR picture & Dolby DTS audio**

Enjoy an ultra HD resolution and lifelike viewing experience with the Xiaomi Mi Box S. Dolby and DTS deliver crisper, three-dimensional surround sound for the ultimate audio experience.

### **Tons of apps on your TV**

Compatible with thousands of apps, Mi Box S provides you access to premium video services and a constant stream of fresh new content. You can download your favorite apps from a Google Play on your TV.

### **Built-in Chromecast**

Mirror the screen of almost any device to a bigger TV screen. Xiaomi Mi box S allows wireless screen mirroring at the tap of a button.

Bluetooth 4.1 technology allows you to wirelessly connect game controllers, headphones, speakers and other Bluetooth devices.

### **Google Assistant**

With the Google Assistant, you can immediately access entertainment, get answers and control devices around your home. Just press the mic button on your remote to get started.
